Please note that we are only a very small breeding operation and therefore all of the above have limited availability. Therefore please inquire first via email regarding availability of any of the above listed PRIOR to sending in your order! If you do not do this, your order will not be accepted. Our email address is cdnhorse@telus.net

Before you place your order, please be advised that Partridge and White Chanteclers are actually completely different breeds. Accordingly, in the interests of both rare breed and genetic preservation, these must not be interbred with each other. If you are planning to order both types, you need to be prepared to house them separately. If you do not have the facilities to do this, please limit your order to only one type or the other.

Please note:

We do not sell any juvenile (older than day old chicks), mature or point of lay Chanteclers!

Nor do we ship any chicks/poults or birds. All chicks/poults/birds must be picked up at the farm. No exceptions!

*** It is important to note that egg hatches do not always happen exactly as planned. Sometimes we have more chicks/poults than expected hatch, and other times we have less. So if you can be flexible with respect to the number that you order, this is very helpful. Please note the minimum and maximum numbers of chicks that you would be willing to take in this case. Also, In the event that we have extra chicks available on an earlier hatch, or an insufficient number to fill your order requiring it to be postponed, please indicate if you are willing to be flexible when it comes to pick up date. If you are, this will very much help in our having chicks more available for to you.*

Payment:

- Payment in full is required for all hatching eggs, prior to shipping!
- For all other chicks/poults ordered, a non-refundable deposit of 50% of the cost of the birds ordered, must be sent in with your order to reserve your birds. If this deposit is not included with your order, your order will not be booked or reserved.
- Payment can be sent in the form of a check, money order, or via an –interact e-transfer of money (the latter being the preferred method of payment). We can accept Paypal but charge an additional \$10.00 to do so, due to the added handling charges that they charge us. Sorry, we do not accept credit cards.
- If you do not pick up your birds as promised, your deposit will be forfeited. We are a very tiny poultry breeding operation and all chicks/poults are brooded in our house. If you do not pick up your chicks when promised it presents a HUGE inconvenience for us! If for some reason you wish to delay the pickup of your chicks, you must prearrange this well in advance. If we do agree to do this, please be advised that we reserve the right to charge a daily board fee of \$0.50 per day per chick for each day past the original set pick up date.
- The remainder of monies owed will be due **IN CASH** upon pick up of the birds here at our farm.
- Please send payment and order form (once you have confirmed with us via email first) to:
Cherry Creek Canadians, 5089 Trans Canada Hwy West, Kamloops, BC V1S 2B1.
